DESCRIPTION OF DUTIES/ESSENTIAL FUNCTIONS

Plans, coordinates and directs the activities of groups of workers within the same department who are engaged in providing Collection System and Wastewater Treatment Plant services. Organizes and assigns the work of collection system maintenance crews, monitors work in progress. Ensures that employees have adequate work supplies and properly functioning equipment in order to perform assigned tasks. Analyzes and resolves staff, equipment and operating problems. Reviews operations policies and procedures; recommends changes to increase efficiency; implements approved changes. Trains new employees, sets up and maintain employee attendance records. Prepares periodic employee performance evaluations; reviews contents with the employee. Prepares periodic production reports as required and/or requested. Assists with daily operations tasks as needed; drives City vehicle. Oversees preventive maintenance of assigned vehicles, yard maintenance, equipment, plant machinery and tools. Observes safety regulations and ensures that crews do the same.

10
